

## *LAWYERS' READING ROOM*

We are proud to invite you to the latest AIGA Pescara experience!

We work everyday in an international professional environment and we need to improve our English skill.

We will meet to speak English together and we will deal with professional topics. We have just one rule: during the meeting we all must speak only English!

The event is meant for lawyers who believe that our job needs to evolve and to improve without territorial limits.

After the positive feedback from the last year, we will start the new year with **MELANIA D'ANGELOSANTE**, our Colleague and Associate Professor of Public Law: the topic of the panel discussion is “*The European Social Model in front of the EU Integration Process Crisis and Financial Crisis: Remarks on the European Pillar of Social Rights' Strategy*”.

The meeting will take place the 16th of January (next Wednesday), at 11,00 a.m. till 1,00 p.m., in Library Room of the Bar Association of Pescara.

Please, note that event has been awarded with **2 training professional credits** in EU Law by Pescara Bar Association.

Please, sign up to the event by announcing your participation by writing us at the email address [aigapescara@gmail.com](mailto:aigapescara@gmail.com).

Thank you and see you soon!
